“ *To the family of Burt Lewis: I want you to know that his service to the West Union Fire Department and Police Department was greatly appreciated by many of the residents that he served. I appreciated Burt's support while I was Fire Chief at West Union and I always enjoyed our conversations over the years concerning our families. Burt took great pride in his family and loved telling others about his dear family.*

*Burt had an unwavering conviction about life that I greatly appreciated. When I would seek Burt's advice on a matter, he gave a straightforward response which I always respected. I will surely miss Burt, not for what he was in life but rather who he was.*
