“ I don't know if anyone checks this anymore, It's me Olivia, I'm her daughter. I'm now 14, turning 15. I was adopted in 6th grade and changed my name to jade willow watkins-Moyer. No one told me my own mama passed away until 2 years later. I'm still really hurt that I never got to say goodbye. Dear mommy. I love you so much and I know you love me too. I know you're looking down on me and observing my every move. In Heaven, in Hell, anywhere between, wherever you may be, mommy, I'll be looking forward to seeing you again. I love you mommy. Until we meet again <3
