“ Dear David and Family, May the memories of Lori, held deep within your hearts, help to soothe your spirits at this difficult time. Lori has left behind thousands of memories that will live in your hearts forever, and will live in the hearts of everyone who loved her.

David, in the quite moments, when the hurt is hard to bear, may love become your shelter and may the beauty of Lori's precious memories, that are yours to cherish always, be your comfort.

And may you find strength in the companionship of those who share your loss!

Remember those we love remain with us, David, for love itself lives on, and cherished memories never fade because a loved one is gone. Those who mean the most to us, are never gone, David. For in our thoughts and in our hearts, their memory still lives on, they walk beside us everyday, unseen, unheard, but always near, still loved, still missed and very dear to us.

You and your family are in our prayers, David, and we pray God's peace and comforting arms will surround you all durning this difficult time. And remember that Lori is the newest angel in Heaven, and she is Smiling down on all of you.

With Our Deepest Sympathy,

“ *Lori and I have been friends for many years...about 40 or so I guess. I was an 18 year old newlywed working at Jantzen and became acquainted with her by "running down the hill to the Charlite Restaurant" for lunch. There I became friends with the whole family and worked with Millie in her dress shop fashion shows; later on went to church with David and Lori; participated in family weddings and so much more. David, Millie and all the rest, please know that my heart breaks for this temporary separation but now set our sites on Heaven with even more anticipation and excitement knowing that another precious friend will be there waiting for the rest of us to arrive. I love you and God Bless you all. Wanda Reed*

*I have not seen or heard from Lori since elementary school at North Anderson School in Anderson. Praise The Lord my mother saw this in the Anderson paper. I am sure Lori was the beautiful little girl all grown up into a beautiful lady. I will pray for comfort for the family and would love to know more about Lori since we were little girls. I just wish I had known she was so close by. I pray for The Lord to uphold all of you and I praise HIM for her precious life. With love, Dean Camak
DFClothes@aol.com, Anderson, SC. I would love for any friends to e-mail me with some details of Lori's life. I have such fond memories of her.*
