“ *Mr. Elliot was a wonderfully kind and compassionate man. It was so nice to watch his family visit him and care for him, taking care of his lawn, making sure his needs were met and just loving him. What a great family. He will be missed in our neighborhood. He missed his wife so much. His grandchildren talk about all the fun they had visiting their grandfather and grandmother. After a huge scary tornado ripped through our neighborhood, Mr. Elliot brought me a little zip-lock bag of cookies that his daughter made for him. He is always kind. Folks at the church were good friends to him. It is nice to see his grandchildren enjoying his house and taking such beautiful care of it. Thank you for the angel. God bless you Mr. & Mrs. Elliot and family.*

“ Bob was a dear friend, colleague and brother knight. I knew Bob as a pioneer who came down from Cleveland to help startup the Ohio Gear plant in Liberty SC. He served in many capacities using his knowledge and talents to turn the startup into a success. He was also a pioneer in helping to start the local chapter of the Knights of Columbus, an organization that both he and Louise were active in promoting and participating in it's activities and growth. As a friend and neighbor he was always a joy to visit with. I remember one time when he and another friend brought in the biggest load of striped bass that I have ever seen, there were no limits at that time (LOL). I will also remember Bob as a loving family man who cared for Louise in a beautiful manner befitting the awesome man that Bob was. Robbie and I share in your celebration of his life and send our love to Ken, Carol and their families and friends.
