“ *Mona,
You and Loyd were so gracious and kind to us when we decided to make the move from Indiana to Atlanta 35 years ago. We have been blessed to have you and Loyd as our friends for almost 40 years. Loyd was a wonderful and kind person who will be missed greatly. May you find comfort and peace in the days ahead from your family and friends.*

“ *Mona and Loyd were one of the first couples we met upon purchasing our property here in their neighborhood over 10 years ago. They were so gracious in welcoming us through the entire time before, during, and after building and moving to Seneca. We will always remember how amazing Loyd was and how in awe we were of his gardening abilities. May God bless you all at this time. We will miss him too*

“ *Family and friends of Loyd Cecil Prewett: Please accept my sincerest and deepest sympathy for the loss of your loved one. Although I did not personally know PDG Prewett, having served in those capacities, I know he was a service oriented person and an asset to his Lions Clubs. May friends and family surround and comfort each of you as you go through this most trying of times.*
