“ *I am so very sorry to hear of your family's loss. Mrs. Mayer was my kindergarten teacher in 1986-1987 and is one of the reasons I chose to become a teacher. She was always very warm, caring, loving, and kind and remembered me by name many years after I left her classroom. I will be thinking about and praying for your family and I hope the warm memories you hold will you through this very difficult time. She was a wonderful woman and will be missed by many.##imported-begin##Kristy Marcus##imported-end##*

“ Mrs. Mayer was my kindergarten teacher. She was such a wonderful person. I ran into her in Greenville several years ago and she still remembered me after 31 years. One of my favorite memories of Kindergarten was making stone soup. Last week I found the book 'Stone Soup' at the local bookstore and bought it for my 6 year old. I'm glad and blessed to have know Mrs. Mayer. She will be greatly missed.##imported-begin##Lisa Carithers Beebe##imported-end##

“ We miss our friend! Jim you taught me to be a real professional educator and Luanne taught me about enthusiasm and passion for her job and kids long after others were burnt out and lifeless. We miss her laughter, wit, love for you and Michael, and how she loved our daughter at first sight. Thanks for sharing her with the world - like you could have stopped her. We grieve with you but know that her effect on us is great but pales in comparison to the effect on her numerous students and to you and Michael. What a special lady. I am sure they are learning Kindergarten songs in heaven.##imported-begin##Max, Melissa, and Maris Monroe##imported-end##
