“ *Although it's been several years since I left the Foothills Garden Club, I wanted you to know what an excellent president your mother was, always encouraging and lending a hand. Not only did she officially represent us well at state meetings, she always took part in shows and made beautiful creative arrangements herself. An inspiration to all who knew her, she has left the world a poorer place. I shall always remember her.##imported-begin##Helen Dolfis##imported-end##*
