

Mrs. Lucinda Olinger Doherty

April 8, 1954 - February 19, 2019

Lucinda Olinger Doherty, 64, of Seneca, SC, passed away February 19, 2019, after a 3-year battle with a rare incurable cancer, Carcinosarcoma. She was born April 8, 1954 in Atlanta, GA. Her parents, William Randolph Olinger, Jr. and Mary Frances Vaughan Olinger, as well as her father-in-law, Robert J. Doherty pre-deceased her. She is married to Gregory Alan Doherty and has one daughter from a previous marriage, Taylor Henry Meyer, and 2 stepchildren from Greg's previous marriage, Sean Patrick Doherty and Nicole Marie Doherty.

Her life with Greg was filled with many wonderful cross-country motorcycle trips, creating memories and seeing God's creation. She has known Jesus Christ as her Lord and Savior since she was 50 years old and has devoted her life to serving Him. Her passion after retirement became short term mission trips where she was drawn to Kenya and serving with Freedom Global.

After Lucinda's diagnosis of Carcinosarcoma in August 2015, her daughter, Taylor, encouraged her to keep a journal, which has now been turned into a book of encouragement. It is titled "God Shows up in the Valleys, my Personal Journey with an Incurable Cancer." It can be purchased online through Amazon with all proceeds going to GHS Cancer Research in Greenville, SC. Lucinda is grateful to all the doctors, oncologists and nurses that treated her

during her illness. It amazed her how God put together such an incredible team.

Lucinda is survived by her loving husband, Gregory Alan Doherty of Seneca, SC; her daughter, Taylor Henry Meyer and her husband, Brad, of Atlanta, GA; her step son, Sean Patrick Doherty and his wife Lindsey of Denver, CO; and her step daughter Nicole Marie Doherty of Chicago, IL. Four precious grandchildren, Henry Luke Meyer, Cora Layne Doherty, Everett Alan Doherty and Selah Lucinda Meyer, who was born on February 20, 2019. She is survived by three siblings: brother, Grayson Vaughan Olinger and his wife, Linda, of Greensboro, NC; sister, Mary Ruth Bolin and her husband, Robbie, of Greensboro, NC; and John Randolph Graves Olinger and his wife, Rhonda, of West End, NC; and all of their respective children (Lucinda's 6 nieces and nephews). She is also survived by her mother-in-law, MaryAnn Doherty of Clio, MI; her brother-in-law, Jeffrey Robert Doherty and his wife, Patricia, of St. Louis, MO, and their 2 children.

A Celebration of Life Service will be held at 1:00 PM, March 9, 2019, Saturday, at Lifepoint Church, 1926 Blue Ridge Blvd., Seneca, SC, with a reception following the service. Arrangements provided by Davenport Funeral Home, West Union, SC.

In lieu of flowers, Lucinda kindly requests memorial donations be made to either: GHS Cancer Institute, Attn: Rare Tumor Program, 300 E. McBee Avenue, Suite 503, Greenville, SC 29601 or to Freedom Global, Attn: In memory of Lucinda Doherty, P.O. Box 51373, Durham, NC 27717.

Lucinda would like to thank all of her prayer warriors who are too many to name, who lifted her up in prayer and a huge praise to God who used her cancer in amazing ways. To Him always be the glory!

“ *It is ironic that Lucinda and I met because of cancer at a meeting for the Woman to Woman program at GHS. Although neither of us served there, we immediately connected at the first meeting. We not only shared cancer but a love for Jesus. We became good friends.. She was always a light for the LORD in spite of her sickness and pain. She was a dear friend and sister in Christ that is missed. But I know she is healthy and whole now in the presence of her Savior...and one day, we will once again see each other and joyously celebrate!*

“ *She had an infectious smile that would light up anyone's day. After her first trip to Africa, she explained that it had changed her in ways she never knew could happen. She said she would look at life differently. Loved to hear her talk about her father. She was a gentle soul. Thoughts and prayers are with all her family.*

“ When I met Lucinda for the first time in Santa Barbara (at the front door of the Bible Study Fellowship class) I just wanted to get to know her. She was a ball of fire - full of energy, life and a love for Christ. I am so (selfishly) grateful she spent time at Direct Relief International for that time so I could make this new friend. Even though we have lived on two different coasts I knew exactly who she was, that her focus was her Lord and her family and that we will see each other again. I am grateful for this assurance. I will be praying for all of you as you remember and celebrate this wonderful loving woman. Since we got to meet you, Greg, we especially want to extend our love and condolences to you. She was so loved by you and I thank God for that. And Greg, if you ever motorcycle west again, don't hesitate to get in touch so we can host you in MT or CA!! Ron will join you! I don't understand why these things happen and probably never will but I am thankful for the time I spent with her here in CA. Much love,
