“ You was always so good to me. We've had some interesting phone calls after 11:00 pm, we both stayed up late at night. I will miss you and the knowledge you shared about families, canning, and life in general. Rest in peace my sweet Aunt.

“ I and my mom will never forget such a sweet and thoughtful 'Miss Lucy'. She will be missed dearly as a friend and our loved one. We will cherish all the phone calls and especially when she came over to visit and sit on the porch to chat. I'll never forget when there was a tornado warning a few years back and I went over to 'Miss Lucy's' house and we watched the lightning from her porch and comforted each other until it had calmed down. Yes, she would do anything for you if she could. Her children were always there for her during good health and when her health started to decline. May God keep his loving arms around the family during this difficult time in their lives. Our prayers are with the family knowing she is at peace now and the sickness is gone knowing she is with the Lord now and he is taking care of her. May God bless each and everyone of you, we will miss her.

Love,
