I love you Lois and I am still praying for you and your family. I wish I could take the pain away. Just remember I am here if you need me. You and your family were very blessed to have your mom here for so long. I know in my heart that she is well now and probably sitting at the feet of JESUS thanking HIM for saving her. I know that is where I will be when GOD calls me home.

I will never forget this sweet lady. Any time I was at SHR she would always have that wonderful smile, a hug, and kiss for me. My triplet grand- daughters were always her 1st question, how are they, where is my new picture, when are they coming back to see me. We always checked out a new "frog" that had been added to her collection. My thoughts and prayers are with all of you, she loved her family so much. Patti Nelson Medi-Home-Hospice

“ To the Ward Family,
I am so sorry for your loss. I loved to visit Ms. Ward in the rest home. She was always so happy to see me and I was just as happy to see her. She loved for me to play the piano for her. I am so glad that she and Aunt Louise Rogers were once in the same room together because that was how I got to know her. I enjoyed her playing the guitar for me one time. I admired how you all took such good care of her. Also, thanks for always being so good to Aunt Louise! Sorry I couldn't be at the Sunday services. My family was having me a birthday lunch. I did get to sign the book at the funeral home.

With love and prayers,

“ To the family Of Mrs. Lura Ward~
I am so sorry to hear of your loss. I had the honor and privilege to care, love, and be loved by Mrs. Ward for several years at Seneca Health and Rehabilitation Center... and I thank you for allowing me to do so. She was a very special lady and my life is better for having known her.

*My Deepest Sympathy,

I just have to add... It's no wonder I heard the frogs kicking up their heels and rocking the creek bank Thursday night... they were celebrating your moma's arrival into heaven.

Aunt Dude was not only my favorite aunt but one of my very favorite people. I am heart broken for MY loss but can only imagine the reunion she has had in Heaven. She once told me and Anita that when she gets to Heaven, she wants to hold the babies she lost. I think she is. She is also seeing the "best looking man she ever saw". I will also always remember her appreciation of the beauty of the world around her and we can know that it is only more beautiful there. To her many family members, you know I love you all and am praying for you. Thanks for sharing her with me and for being my sisters and brothers, "nieces & nephews". She will forever remain in my thoughts and my heart.
