“ I just found out about this and I'm deeply saddened I worked with your mother at Square D and was still friends with her after we both parted ways there. I was in Westminster a few weeks ago and ran into her she seemed to be doing good. She was telling me about you girls and the grandbabies. My thoughts and prayers are with y'all.##imported-begin##Cindy Lewis##imported-end##

“ Dear Summer and Berni, & Family
So sorry to hear about your Mom. You are in my thoughts and prayers. You have my sincere condolences to you and your families. It's hard to give up someone that we Love very much. I know how it feel to lose sisters and brothers and a Mother and a Husband. I wish that there would be something that I could say to take that pain away. But there isn't. My thoughts and prayers are with you during this difficult time. Just turn to our eternal Father and he will see us though. God Bless.
