“ A humbled thank you to all who wished blessings upon our family. The love and respect you had and have for my Dad and Mother is incredible and was shown in abundance. My Dad enjoyed people and wanted them to know that they matter.

I am thankful for such a Godly father on earth who showed us a glimpse of what our Heavenly Father is like. I have been blessed to be his son and look forward to one day seeing him again where we will be together for eternity praising our God and walking streets of gold.

Can't wait to see your mansion Dad! Love you more than words and actions could ever express! You are and will be tremendously missed. "But I know whom I have believed and am persuaded that He is able..."

“ My sincere condolences to this precious family. Mack Moore was a wonderful, Godly man who gave of himself so eagerly. He always had a smile and kind word to offer. To meet him and know him you could feel his passion for witnessing to others. He didn't want anyone to miss out on having a personal relationship with his Savior. He will be missed greatly by all of us he has left behind, but I know heaven has certainly gained an angel. My thoughts and prayers are with each of you during this time of loss.

“ The Walhalla High School Class of 1964 sends our sympathy to Mack’s family and his many friends. He was a true loyal classmate who enjoyed class reunions and times spent with many people. The listings in his obituary show how involved he was in all walks of life. We will remember him with fondness especially for his kindness and listening to his stories about playing football and driving the big yellow buses. We miss him already.
