“ I was blessed to have Mrs. Garland as a Teacher and later as a good friend. I so enjoyed talking with her and sharing life stories. We would always pick up the conversation from the last time we talked. She was such a loving, caring person with an easy going pleasant personality. I will truly miss her and share your grief.

*To the Carolyn Garland family,
I had Mrs. Garland in Home Economics many years ago, back in the 60's. She was a great teacher and such a calm and relaxing lady. I loved her class. She taught her students so much. Such a shame that class has been discontinued in the schools. Girls learned a lot about home, manners, good etiquette, how to sew and cook. Good basic, life-changing skills. She will be missed by all the girls who ever had her in class. Our prayers are with her precious family. God bless each of you.

“ *She was a wonderful person and an excellent teacher. I shall always remember her comment: "haste makes waste" when us students would rush to complete a project and make mistakes. My sympathy and prayers are with Dean and the family. May God continue to give you peace that passes all understanding!*

“ When I saw Carolyn just last Thursday I shared a memory with her then and I hope she also remembered. She was so peaceful that day, and I know that she is for sure at peace now. Carolyn was a good friend and a very good Christian. She had a loving, caring spirit and I will always remember and treasure our friendship. All of you, the family, are dear to me and I have you in my thoughts and prayers.
