“ Aunt Marty, you and Uncle Charlie are among the only good childhood memories I have. I was on the internet, because I decided to see if I could find your address. I wanted to show you a picture of my kids. I found your obituary. I just wanted you to know that I love you. I wish I had been able to see you and talk to you. I don't know if I ever told you how much your kindness meant to me, and still does. I love you, Aunt Marty. I know you're in Heaven, and it's a much better place with you there. Rest in peace.
