“ *Janice and all the Family,
A beautiful garden now stand alone, missing
the one who nurtured it, but now Jean is
gone. Her flowers still bloom, and the sun, it
still shines, but the rain is like tear drops, for
the ones left behind.*

*The weeds lay waiting to take the garden's beauty away, but the
beautiful memories of its keeper are in our hearts to stay, Janice.
Jean loved every flower, even some that were weeds, so much love
she would plant with each little flower. But just like her flowers, Jean
was part of God's plan, so when it was her time, he reached down
his hand, and as he was looking through the Garden, searching for
the best. That's when he found Jean, it was her time to rest.
It was hard for those who loved her, to just let her go, but God had a
spot in his garden, that needed a gentle Soul.
So when you all start missing Jean, remember if you just wait, when
God has a spot in his garden, Jean will meet you at the gate.*

*(When we leave those we love in the garden of love that we had on
earth, it is a comfort to know that we go to God's Garden of Love in
Heaven for eternity).*

*God bless you all,
Ann and Bobby Hayes*

“ Dear Janice, Mitch and Family, we were so shaken at the news of Jean's death. She was a kind and loving friend to so many people. Jean's life was a testimony of love, kindness, courage and passion for life as a sister, aunt and as a friend.

She had a heart of gold, Janice! Her friendship was such a blessing to all her family and friends. She sure did brightened up the days for so many people, especially the elderly of the Keowee Community. She brought so many people so much happiness with her kind and loving ways. She was such a true friend to our Mother. She was always there when Mama needed her. We sure did have some special days and special times with Jean, from just a quite moment in Mama's back yard, or a ride over to Junior's house in Easley. She touched so many hearts and helped so, so many people. She was always there for all her friends! She was indeed an Angel. She will continue to live with you all in your memories and her words will still echo in all of your minds, Janice. The memories of Jean are everlasting in our hearts.

Sympathies are with you all,
Ann and Bobby Hayes

Anyone was blessed to know or be around Jean. She was giving in so many ways. Loved to garden with flowers or vegetables. It was a shock but glad that she didn't suffer. She will be missed by many. A volunteer with Jenna Mennard

*“ To the family of the most wonderful "Jean",
My Mom, Ida Swaney, lives at Park Place , where my husband and I got to know Jean. We were so shocked and grieved to learn of Jean's passing on Friday. We just want to tell you how much we enjoyed her smile and upbeat personality all the time. She always had a kind word to say and time to spend with you for a visit. Her gardening skills will be greatly missed as she took such pride at "her garden" there at Park Place. We just wanted to tell you what a fine lady she was and that we will miss her.
Sincerely, Ida Mae Swaney and Bob and Carolyn Grulich*
