“ I am so sad to hear of Lanie’s passing. I loved her through all the years we went to school together. We had so much fun spending the night with each other.
Until the virus shut the rehab center down, I visited with her every Monday morning with a flower or two that brought her smiles. I always left uplifted. She was upbeat and jolly. She loved her family. I can see her now, playing that piano in heaven with gusto!
I sure will miss her and we send our love and prayers to Sherrie, Doobie and Boots and family.
