“*Maria Ramirez was my Mother In Law. I have known her since I was 16 years old. I really looked up to this woman. Maria moved here from Mexico at 19 years old, knowing no one. What a strong, independent woman she was. I admired that most about her. She was like a 2nd mom to me. Heck, she was a mom to me. She was not only a mom, but a dear friend. We got along so well. I used to scare the crap out of her. Sneaking up on her and screaming super loud! She would jump so high, and then Calle me every bad name in Spanish, as I am bent over laughing. I remember her becoming a US Citizen in 1987! She studied so hard for those questions I guess they ask you about America that none of us Americans even could answer. Then you know what they asked her? "What color is your kitchen?" She came out of that room so mad, because she studied so hard. (By the way, her kitchen was red) I of course laughed. But man, she was so proud. I was 7 1/2 months pregnant with her first grand child. Maria, I want you to know, I never stopped loving you. I looked up to you and how hard you worked in life, for everything you had. Man, I was in awe of you coming to America and working so hard. I will miss you. I love you. Now sing with the angels with that beautiful voice that god blessed you and us with. RIP. Love Julie Ramirez, always a daughter to you.*

“ *So very sorry for your loss. Maria was a neighbor on the same floor where we both lived. Maria enjoyed me visiting her with my cat, Buddy, and Buddy certainly enjoyed the attention.*

Even though I hadn't know Maria very long, her kind heart and generosity in so many ways will always be with me.

I'm so blessed to have known her.

Resting in God's presence, I'll see you again, Maria.

*Love and heavenly hugs,
