“ *Where could one even begin to express words that would describe Nannie Alexander! She absolutely was a reflection of Jesus Christ everyday I saw her. During her time at Park Place she became one of the most beloved and respected people among the residents. So many would want to speak to Nannie because they knew she would have some encouraging words or offer the gift of a genuine smile. She had a most generous heart and was without question a great lady of integrity. Her faith in Christ was rock solid. Her testimony was real. Her love for her Savior was unshakable and undeniable. Our hearts join Richard, Vivian and all the family in their sorrows in Nannie's passing, but PRAISE GOD she passed right into the presence of Jesus. We know that and we rejoice in that. For all who have truly committed their life to the same Lord and Savior, we can take comfort that we too will one day will join her at the throne of Christ. So with that we celebrate her life. We will all cherish and hold close the precious memories of this beloved child of God. Thank you all of Nannie's family for giving us a Park Place the opportunity to share in her life. May you find peace and comfort in the days and years ahead.*

“ *Nanny was one of the most loving and caring people I have ever met. I remember her telling me that she prayed for me every day, for my care of her beloved girls Kayce and Meredith. That touched my heart and blessed me so much! I loved her because she was so good to me and everyone she met. This world is a bit dimmer without her here, but she left behind so much good, so much faith and love, we are all so much better having known her. The Alexander families and the Charlton family are in my prayers. Much Love,

“ *Mrs. Marian and Kay were a big part of our family's formative years. Even to the least time we spoke she was always kind and encouraging. A light like hers doesn't go out. She spread the love of Jesus to everyone she met and so that light continues to shine in others. The family will be in my prayers. I'm rejoicing in knowing I'll see her again one day.*
