“ *I will always have many memories of my papa. He was such an amazing man that loved his family with all of his heart. He had an unforgettable sense of humor that I will miss dearly. I'll miss his hugs, his kisses on the cheek, his laugh, his smile, his jokes and the way he always made people smile. Even though I will miss all of these wonderful things, I couldn't be more thankful for the fact that he is in heaven right this moment, he is pain-free and he is happy. When my papa passed away, I did not say, "Goodbye", I simply said, "See you later", because I know I will be along side of him one day. We never truly die; we only pass from one life to another. We're only here for a short amount of time traveling through this temporary world to our eternal home in heaven and I will be forever grateful for that. Thank you to everyone who has been there for my family during this time and thank you for the many thoughts and prayers.*
