*I was so lucky to have been good friends with Jan Winer. I loved her like a 2nd mother. She was one outstanding woman. She always was nice to me and would always ask me how I was doing before I could ask her. That's the kind of woman she was always worrying about other people before herself. She is a one of a kind and I will never forget her she will always live in my heart and my love for her will never diminish. Her family was always nice to me too and felt like extended family I love them also and will keep them in my prayers. I will never forget you Jan Winer and all the great memories that we share together. I will love you forever.*

*Sincerely,
