“ *My deepest sympathies to Doug and all members of Marlene's family for the loss of this special and wonderful lady. Along with Tasha, my therapy dog, I will miss our visits with the sweet person we grew to admire and love over the past two years. Marlene taught us that life is a precious gift through her long struggle, and through her enduring faith that the Glory of God is magnificent! We know she is singing and running in Heaven right now with her restored body. God bless you, Marlene! Joey Yon and Tasha*

“ Rest in peace beautiful Marlene. I was so happy to spend some time with you before I moved back to Florida.I was also so very honored that you called me "sister". I always told you you were my best friend in SC and it was so true. Thank you for watching out for my Mom for so many years. It was my pleasure to meet your beautiful daughter Lindsey who I know was your pride and joy. My sympathies go out to her and the rest of your family. Love you always sister. Lila Landry.

“ *Thoughts and Prayers for the Family. Marlene is with her Heavenly Father, that she Served so well. She was a Light for Peace, Joy and Happiness. The last visit with Marlene she said "God is so good to me." What a testimony. If we all had the ability to spread Gods' Love as Marlene did, this world would be a better place. Her Homegoing was a release for her, & she now has her new perfect body. I am a better person, by having Marlene as a Friend. RIP Sweet Lady. See you soon.*
