“ To the family of Mr Mason, I had the privilege of caring for this sweet man over the past few weeks on and off and was able to be at his bedside in his final moments. He had such a sweet spirit and I wish I could have known him prior to him getting so sick. I can say without a shadow of a doubt that he went peacefully and truly believe he is healed and standing before Jesus now. I will continue to pray for your family during the difficult days ahead as you lay him to rest and thank you for allowing me to care for him.
