“ Martha was my partner in crime for 8 years with Girl Scouts. She would come up with ideas that I would never have done in my own. We made a great team. She was so confident and and determined. She was an amazing woman and I am so fortunate to have known and worked with her. She will be missed.

Martha, a beautiful soul! She, and Linda Nodine, helped us raise our daughter in their Girl Scout Troop 1391 for 8 years! I just did not know the leaders were “partners in crime”. Then, Martha opened a Cub Scout Den, which my son was part of, and she helped raise him, too! How did Martha manage to do so many things while Robin and Rich were growing up? Amazing woman!

“ *I will treasure the memory of riding through the Okefenokee Swamp with Martha and family. We sat together and I heard stories of her past adventures and we shared some laughs. She touched many lives and will be sorely missed.*
