“ *There is so much that I want to say to you about how many good times we shared while I was growing up. You taught me a lot about things that I still remember to this day. You can rest now free from all the sickness and pain that is now gone. Be with God and know that I love and will miss you. See you again in Heaven.*

“ Ray and family, our hearts go out to you all in your loss, and our prayers for your peace and comfort during this time. We all go back a long way, through work, family ties, but most of all through friendship. I know you will all miss Martha terribly, but there is hope and peace in the saving grace of Jesus, and she is free from all the cares of this life now, safe in His loving arms.
