“ *As I think of you and your family in this time of lost I can't help but remember how when my sisters and I were home from TDAR School that you would take the time to come and carry us to church. My greatest achievement in life has been accepting the Lord Jesus Christ as my savior and Lord of all. I want to say I thank God for sweet people like Quimby, Joe Alexander and the people of Cheohee Baptist Church who made a tremendous difference in a young girl's life. You are my roots, my foundation of knowing God. To your family I want to say I will always have fond memory of you and Joe.*
