“ *I was so sadden to learn of Miss Mary's death. She was such a sweet lady and my last visit with her she was in good spirits and mind, just can't believe the good Lord has taken her to her permanent home. Her sister was a very good friend of mine and is how I got to know Mary. My sympathy goes out to her family. You have lost a wonderful mother and friend.*

“ I will never forget Mary! She made me the nurse I am today! We worked hard as a team! She gave me financial guidance when I was a single parent and was like my second Mother! She loved her patients and was their advocate! She shared all her wisdom and looked out for everyone! Fly high Mary and know I love you and will miss you but have great memories in my heart!
