“*Mary Anne was such a sweet spirit. Her smile was truly infectious, and she brought so much warmth to everyone around her. I was deeply saddened to learn of her untimely passing.*

I will miss her greatly, and my associates feel the same. Our thoughts and prayers are with her family during this difficult time.

“*Anne was someone whose presence struck deep. While most of my memories with Anne are from my early childhood, I can still feel the warmth and gentle ease she walked through life with. She was like a graceful anchor in the moments you felt adrift. As a kid, I remember so often adults brushing off my attempts of self expression. But Anne? She made me feel comfortable in expressing my inner world. Whether I was expressing how I felt or explaining my elaborate imagination, she never made me feel like I was "too much". Although I didn't go on to know Anne as well as I had hoped, her impact in my life will live on forever. May you now rest easy, Anne. Your memory is eternal.*

“ We were blessed to have our wonderful niece Anne for 67 years. We shared many weekends with her in Ridges Spring, Charleston and Seattle. She was always a joy to have in our home. Anne was the most generous person we have ever known. Always bearing gifts of love and presents. Her loss brings great sorrow to our family. She loved Jesus, her church, family and friends. Anne will be missed and may she rest in peace in her eternal life with God. We love you Anne!!! David and Nancy Dwyer

“ *I knew Anne from our younger days working on projects together at Pleasant Ridge. Often I think of the time we "tried" to clean out the basement of the church; took a long time because we found treasures and stopped to wonder about each one. Old precious memories of a lovely lady.*

“ Losing a cousin can feel like losing both a friend and a significant piece of your family story. This sentiment is particularly true in the case with our precious Anne. Her life touched many through laughter, shared adventures, and the quiet ways she always showed up for others. May we celebrate the beautiful soul she was and the legacy she leaves behind.
