“ *Thinking of you.
Earth has lost a precious soul and blessing to us all and heaven has gained a treasure.
The thought of her brings about the fondest memories. One of my favorites is a snow day back in about 1978. She and "Mr. Bass," our beloved principal, lived in the large white house located there on the T-S school grounds. Their home was a welcome place for friends to gather. Naturally, there was a fun snowball fight that left us cold.
"Mrs. Bass" welcomed us in to warm by the fire with wonderful, delicious, hot chocolate. That was a special time in life when teachers were like family.
Praying God's special blessings to your family.

“ I worked for Mr. Bass for many years at West Oak High School. He was the best principal ever. He sent me to Tamassee Elementary when the school was first built to help Mrs. Mary get the media center ready. They both were such sweet people. “ Mary completely embodied the words of Mark 12:31 ‘You shall love your neighbor as yourself.’ There is no other commandment greater than these.” She and Sam both left a legacy of love, compassion, and generosity within every community they served. Her genuine love and faithful prayers covered many hearts and homes. I know I will personally be forever grateful that I had the privilege of knowing her. Coy, Joy, and family, my prayers and love will cover you all during this sorrowful time.

“ I had the honor of working with Mary Bass for several years at Salem Elementary School, she was always a delight and had a smile for everyone. It was also an honor to call her my friend. Her family has some of the same traits and I believe it was due in part by her wonderful example. Coy and Joy, my heart is sad for you and the family at this time. Rest In Peace, Mary with your Savior and sweet Sam; I'm sure that you'll be sharing some of your story-telling talents with the angels while you're walking those streets of gold. Much love ❤️ You will be missed.

“ Mrs. Bass was such a wonderful lady. In elementary school we would beg her to read Brer Rabbit on every trip to the library. We knew she was going to read it if she had on her Brer Rabbit jewelry!

My sister Sara and I would go Trick-or-Treating at your mom and dad's house at the lake. Mrs. Bass always bought us full sized candy bars.

She was so special and touched so many lives. I am truly sorry for your loss.
