“ Dear family, 50 plus years ago my grandparents lived in the house above you on the hill that is now Wisteria Lane. I played with Tracy and always loved being Ms Ellen’s little surrogate daughter. In my 40s we began a pen pal correspondence. In every letter she expressed her love for each of her sons and grandchildren and how proud she was of each of your accomplishments. A true Christian, she always shared her prayers for you and asked me to join her in praising God for His blessings and asking for His protection over you. Please accept my most sincere condolences

“ *In Loving Memory of Our Beloved Mother*

Our mother was a remarkable woman, overflowing with love and warmth for anyone who entered her heart. She was the proud mother of four sons who loved her deeply. During her time at the Residences at Park Place, she received exceptional care from her adopted daughters, who approached their roles not as jobs, but as acts of love and compassion.

A Mother's Boundless Love

Our mother had a heart big enough to embrace everyone. Her love was unconditional and unwavering, a beacon of light for her four sons and all who knew her. She taught us the true meaning of love, kindness, and generosity.

Cherished Moments at Park Place

While residing at the Residences at Park Place, our mother was surrounded by her adopted daughters, who cared for her with the utmost dedication and affection. Their care was not just professional but deeply personal, filled with loving embraces and heartfelt interactions. These women became an extended family, providing comfort and joy in our mother's final days.

A Legacy of Love and Care

Our mother's legacy lives on through the love she gave and the lives she touched. Her memory is a testament to the power of kindness and the impact of a loving heart. We, her four sons, will forever cherish the lessons she taught us and the love she bestowed upon us.

Honoring Her Memory

To honor our mother's memory, we will continue to spread the love

and kindness she exemplified. We will remember her not only as our mother but as a mother to all who needed one. Her spirit will always be with us, guiding us and reminding us of the importance of love and compassion.

I will miss you mom and your mother's love will continue to have a place in my Heart!

*Love
Rick*

“ *It was such a pleasure taking care of Granny at park place. She always had you rolling with her stories and she had a lot of them. She was such a sweet caring lady that could also be a feisty little lady but we wouldn't have had it any other way. You will be missed Granny but never forgotten. You made me smile when I would have a bad day. Until later 🥹*
