“ *Benny,*

I know that you are a man of 'Faith'. I also know that losing a Loved One brings sadness.

You talked about how sick your Mother was and that she had prepared for her journey to heaven. It is a consolation in knowing that all her early trials are over. It is comforting in knowing that you will meet her again. This is the eternal promise God has given us.

I want you to know that I share in your time of sorrow, but remember the 'Joy will come in the Morning!

“ Dear all, I am so sorry to hear about Aunt Ellen. She was a wonderful lady. I sometimes sit and reminisce about the good times we all had growing up. Whenever we were up there or ya'll were down here will always be special memories and hold a special place in my heart. Aunt Ellen was always so good to all of us and always made us feel special when we were at your house. She will always hold a special place in my heart. I am sorry that I cannot be there due to illness for me and my son. I want you all to know that we are thinking of you and keeping you all in our prayers. I will call you.
