“ I regret I can not get off from work to attend this Great ladies service. I have know her and her family since High school. A lady so full of life having conversations were so joyous that that time stood still. Her wit and wisdom will always be with me. She will be sorely missed.

I attended school with Elaine and currently see Jimmy at work. To you all I pray peace for the days ahead. Focus on her joy, her humor, and her love for you. I still remember her bragging on you two way back then. She loved all her kids well because I was blessed to hear about all of you. What she said of you two that I know, I also am blessed to know to be true. Focus on those things! Things that are TRUE and Just focus on those things. God bless you all in the days ahead. Your journey continues but hers is complete! She now shares her joyous spirit in a better place.
