“ I am the Administrator of Lighthouse Care Center, Oconee, where Mary was employed. I first met her when she came to the Camp to offer to volunteer. I took her resume and held it until I had an opening for a Clinical Staff. Then I tried calling her but could not reach her so I had to advertise the position. To my surprise, she had seen the ad and called me. I was delighted. She brought an energy and professionalism to the Camp that was contagious. The girls at the Camp loved her and miss her greatly. When they went to see her last week at Hospice House, it was a moving and life-changing experience for them. We already miss her very much and have shed many tears over losing her. We are going to establish a memorial in the form of a bench with a plaque to her memory. It will be placed under a tree where staff and girls can sit and talk just like they did with Mary. My condolences to all the family.##imported-begin##Sharon Durham##imported-end##
