“ *Mary Lou was a very good woman. She was beautiful, wise, honest but most of all she had a heart of gold. Her and Glenn use to keep my sister and I and spoil us rotten. I remember how she use to love to cook for us and tell us story's about when she was as young as I was. Mary Lou was a wonderful Mother, Wife, Grandmother, Friend and most of all someone you could sit with for hours and listen to and she would tell you things she had done that would put alittle smile on your face.
