“ I never met MaryLou in person but shared many great memories with her online. She had a keen sense of humour and always a kind word for others in our forum group. I will always remember her telling us about the little dog she found. I think she named it "Bella". She spoke highly of her family and her faith in God. I loved chatting with her and it seemed like I had always known her. Thank you so much for keeping us informed about her well being over the past few years. Donna Ritter....Alberta, Canada
