“ *Linda and family,
Just a few words to say I am so
sorry you have lost your mother.
She was truly a very sweet and kind lady. She was always good to
our mother and a great cousin.
We know the pain of loosing our
mother and I know you feel that
pain in loss, but we also knew that day would come. It surely
doesn't make it any easier. She will be missed and I pray God will
bless you and give you peace on those very lonely days, for it is He
that will only be able to comfort you. May the Lord bless you and
your family.
Regardless of the many years that have passed since I have seen
you, I hold good memories of you playing the piano for me to sing
many years ago. You were such an inspiration to me as a younger
girl. Take care to you all. Love,
Mary Jo McCoy Alexander
