

Mr. Matthew "Doolin Dalton" Nichols

March 31, 1992 - December 3, 2021

On December 3, 2021 at 2:00 AM, Matthew Dalton Nichols, completed his earthly journey. Dalton worked hard and loved harder. He cherished family, friends, traditions, nature, and music. He spent his time hiking, cooking for those he loved, surprising friends in unique Dalton ways, and writing songs. He had a passion for music and living his life to the fullest. He found peace with writing, and with his newest hobby, motorcycles. While his earthly performance may be done, we know there is still an encore on the other side. Take solace in knowing that he's waiting for us beyond the curtain in the sky, guitar in hand, smile on his face, and a fresh cooked meal waiting for us. May the four winds blow him safely home.

"Tell me Brother, can you see the sun from where you're standin' now?"

“ To the families of our Matthew Dalton Nichols, To have known you was truly a blessing and to have been your great aunt, having loved your mother from birth, was one of the greatest pleasures in life. You will be greatly missed. I always enjoyed your music and how you put your deep thinking into it to bring a message for all to hear. I was very proud of you and know you gave life on earth everything you could. How blessed God had been to you and what you accomplished for the short time you shared life with us all. One day, we will see you again. God bless all the family with comfort, peace, and strength.
Your great aunt and great uncle, Mary Jo and LC.
