“ *I am sorry to hear about Mattie. She was my neighbor when I was growing up, and she always made me feel like I was one of her grandkids. I stayed at her house more than I did my own...You will be terribly missed. I love you##imported-begin##Debbie (Sloan) Freeman##imported-end##*

“ so, i am writing this now before my trip back up there, because this is going to be hard for me once i am actually there.

*I LOVE YOU GRANDMA!!! R.I.P.
I will miss you a lot!*

you have many people that love you, and will miss you dearly. I will always remember how i got to see daddy be able to say good- bye to you before you left. How you told me you loved me back when i told you i love you grandma. I also will always remember all the cats you have and how i would always try to end up taking one home with me when i came over. Just wish i could have visited more often, with being in FL all of the time.
