“ I can't believe you're gone,, I'll never forget our crazy times when we would walk around the mill hill,, and I know I'll never forget how you moved in with me for a while after a certain one left and you came to stay so I wouldn't be alone just in case he tried to come back and start something with me,, I don't know if you ever knew how much that meant to me cause you know there were so many who said they would be there but couldn't be found when they were needed but you said you'd be there and you were, that meant a lot,, I'm gonna miss you girl,, but I'll never forget you,, I love you girl,, R.I.P My Friend,,
