“ *Janet and Dean~*

We know no words can ease your pain and sorrow...

*We will not try to tell you time will ease your pain... Or~ remember and hold dear
the time you had with Melissa...Or~ there is a reason for everything, we just
might not know what it is...*

*Nor~ we will tell you how beautiful, kind, special, and loving Melissa was... Or~
the hundreds of lives she truly touched and made a difference in throughout her
life and her career...*

*We will tell you~ we know the loss and overwhelming grief you are feeling... We
know your hearts are aching... and that your aches will become more painful in
the days to come... We know you may never understand "the reason" God took
her from you (and even if you do, it may not seem good enough)... And we fully
understand, that no one can tell you or knows more about how beautiful and
special she was than the two of you...*

*We will remind you to remember... you not only had the opportunity and privilege
of knowing Melissa and having had her touch your lives~ but, you had the honor
of being chosen by God to be her parents... and believe it or not, you will smile
again.*

*Please know we are here for you if you need us... and we will be praying for you
and your family.*

Our deepest Sympathy,
