“ I send my sympathy to the family of Melvin Hendrix. Growing up in Salem I remember Melvin as a friend of my Daddy (Doyle Rogers). I remember trips to B&R Auto Parts in Seneca on Saturdays and that was a "big trip" back in the day. Melvin was helping my Daddy fix an old Impala at the back of our house when my Dad passed away. I will never forget. He came by as usual to work on the car and when he came to the door I said...my Daddy is sick. Of course, he left not realizing nor I what was going on. I know he always regreted not coming in the house to see what was going on because I learned of that in later years. I hate I turned him away but I was 10 years old so I didn't know what was going on either. I know that Bobbie and Brad were his pride and joy. I also know sharing a love of cars and "turning a wrench" was a bond that Melvin and Brad shared. My thoughts and prayers are with all of you.##imported-begin##Sherry Rogers Moore##imported-end##
