“ Alan and the Knight family,
We were very saddened to read about your dad's passing. Melvin was a good, humble man and truly loved the Lord. He loved you very much. You always had that kind demeanor as your dad. You were so kind to our family when you taught piano to our children. Alan, we know you are sad and missing both your parents. Please know, God has them now for eternity. Prayerfully, one day you will join them and your family will be reunited again. We love you and have always thought you to be a special person. "Weeping my endure for the night, but joy comes in the morning."
To the Knight family, we extend to you our deepest condolences.

“ Melvin was the first person I remember who would throw me up in the air and catch me. I was around two to three years old. Also He would pay me to do mischievous things and laugh about it although I would have done this whether he pay me or not. He greatly inspired me with his piano playing. He was Uncle Melvin and he has most likely joined Papa Clyde and Grandma Rosalee on a Red Hot Piano Trio.Number. Praying for all the family. With Love Rickey Knight Honea Path

“ Brother Melvin was in our home tuning our piano many times through the years. He was a kind and gracious gentleman and while I know his family grieve over his passing, yet I know that they are rejoicing because they know where he is at and they know they will see him again someday. Our love and prayers are with the family at this time.
