“ *Michael I will miss you so much, but I will always hold every memory of our childhood very dear to my heart. You and I were always close as kids even though we grew up and grew apart and choose different lives. You have beautiful children and grandchildren that will miss you so. I will always keep you and them in my thoughts and prayers along with you dear mother who had to see her baby son go. There's also your sweet sister and brother whom you now left behind, even though we are all broken hearted and don't understand why. God has called you home to a better home on high to be with my dear sister, father , uncle ,aunt and grandfather at last. So as the tears fall and time passes I ask you dear Farther in heaven to please give our family peace and comfort within to get through this hard time to come. In Jesus name we ask amen and amen!!*
