“ Dear Joanne,
I am sorry to hear about the passing of Mike. I had the pleasure of working with him while collaborating with the South Carolina Department of Employment and Workforce and Tri-County Technical College in Oconee County. Mike was an exceptional teacher who played an instrumental role in introducing lucrative career opportunities to the residents of Oconee County who were seeking jobs in the field of CNC/machinist. His classes were well-liked by his students, and he helped the State of South Carolina Workforce Development address the current shortage of trained and available workers in CNC machining. Even after his students graduated from the program, Mike continued to serve as a mentor to many of them. He will truly be missed.

“ *Mike was a great neighbor and friend. As his neighbor, all of my children (and their dogs) thought the world of him. He was a man of character and integrity that welcomed all into his home- especially to partake in one of his phenomenal pizzas that he took great pride in. I appreciate the time I had with Mike and will cherish the memories made with him.*
