“ *I am blessed to have known Michael and his family for all these years. I first met them when their young family came for a home visit with my soon to be husband. Their faith and love of the Lord shown very bright then and has continued thru the years, growing even stronger as they faced the challenges of health and of life. The love this family has shown mine thru the years..... and continued with our adult boys (from annual birthday watermelons to long distance phone calls) without fail. They have always been there for us. A remarkable man of God. I am so very honored he was our friend.*

“ *My condolences to Laura and the family. While I was growing up Michael would come by somewhat often and visit with my dad. Michael was always very kind to me and my brother, and he always brought us a giant watermelon for our birthdays every year. It was a wonderful way to end the summer. Michael will be missed, but I take comfort in the fact that he is with Jesus now.*
