“ *Mike was my best friend.. I never thought that he'd go and be with his son so soon. Nomore pain and suffering. I miss him dearly. Love you. Save me a seat. I wish I could take one last ride, eat one more bowl of chili, have one more slice of cornbread..*

“ *About this time last Sunday, you took your last breath and transitioned to your heavenly home. We never knew we could miss anyone so much but there's an empty hole in our hearts since you left us. We just wanted to hear you say, "I'm fine", "don't worry about me" one more time. Even though we miss you, we know you are no longer suffering.....no more pain. You are now at peace. Brother and I will take care of each other until we join you in our Eternal home. Love you so much! Sis*

“ We are so very sorry for your loss Greg. Please know that you and Sheri as well as all of your family will remain a constant in our thoughts and prayers at this time. Mike is with God now, free from pain, and at peace. We have no doubt that his kind soul was welcomed into Heaven and God's awaiting arms immediately upon leaving this old world.....we'd also be willing to bet that baptismal pool was awaiting him there and that he dried that new set of angel wings in the wind - riding free again.
