“ *I always enjoyed talking with Mike as he was a man so easy to converse with on any subject. His mild mannered ways always seemed to put a person at ease. Mike and I were both bishops at approximately the same time but in two different Wards so we talked often about Church related topics as well as many other subjects. I enjoyed the times we would talk at meetings, and on a friend to friend basis. He will be missed by all of us. I wish to extend my heart felt sympathy to Tina and the entire family.*

“ My deepest condolences to Dale, Sheril, Steve, and especially to Tina and family. Mike has been a friend for a long time. I remember super seminary activities, youth conferences, and firesides where we all gathered. Our LDS youth family sustained us all through our teenage years. It was wonderful when Mike and Tina moved into the Seneca Ward. My dad and mom, Thomas and Trudy Garner, thought so much of Mike both as their friend, bishop, and personal pharmacist. He was a true minister to many!  
We are praying for you all during this difficult time. I know the Comforter will give you peace and assurance of God's promise of eternal families. Love to you all, Nancy Garner Gregory, Boise, Idaho

“ *Michael was a great guy. In the twenty plus years that I have known him he was always a gentleman and someone I enjoyed being around. He had a very good intellect and we had many interesting conversations. Even when things were at the worst I never heard him complain. Michael will be sorely missed.*

“ Tina, Uncle Dale, Aunt Sheril and all, We are so saddened by the sudden loss of Mike. Wish we could be there with you physically, but we will be keeping you all in our prayers as you grieve. One of my favorite memories of Mike was when he introduced me to Tina the first time and he couldn't remember my given name, all he could think of was my nickname. Still brings a smile to my face! We love you all.

“ *Rest in Peace Mike, we will meet again someday. So many great memories of our family visits and reunions. My favorite though was when you introduced me to Tina the first time, and all you could remember was my nickname, not my given name.*
