“ *Mike was a wonderful person. He was passionate about everything that he believed in. He loved God and was ever ready to witness his belief. He loved cooking and guns. He reminded me of Santa Claus when he laughed, he had a joyous laugh and his eyes smiled when he was happy. I will truly miss him and my prayers are with the family.###imported-begin###Terry Fox###imported-end###*

“ Thanks to everyone for your thoughts and prayers, and especially those who informed the rest of us during this time of emotional stress: I know how hard that can be. And for those who are still making the arrangements for gathering in remembrance, your work is not unnoticed. Thank you, and you know you can call me for anything.
