“ Dear Joyce and Family,
I have lost a good friend in Mike. I could not begin to count the times he and the guys have come to my rescue with their large variety of services. You and Mike often sitting together in a tow truck or the office let me know of your great love for eachother. I always appreciated his kind voice on the other end of a phone conversation, he was very patient with me in finding a solution to problems or referring me to his many friends who might have answers. Mike will be missed here, but his Faith has meant he was welcomed on Heavens shore where he now joins others who await our arrival. Be blessed and daily renewed dear sister as you deal with the loss of a great man.

“ Mike was a wonderful, caring individual who extended compassion to all those around him, especially through his profession. Recently, our vehicle had to be towed so a call was put in to Mike. He returned the call right away, even though he was busy with someone else and even apologized for the fact that I would have to wait for 45 minutes. He was so kind and cheerful when he arrived that my day was immediately brightened. That's a gift, and a testament to the man he was. To his family, we grieve with you and offer a prayer that our Lord will place His arms around each of you a little tighter till you can stand strong again. We will miss you, Mike, but rejoice that you are with Jesus now.

I have worked for Oconee County Sheriff's Office for almost 23 years now and can remember Mike shortly after I started working there. He always was cheerful, kind and diligent in his work. “ Mike was a good christian man, friend, brother. Along with being a good husband and father. Mike has always been good to me. He made a point to always shake my hand, hug me and tell me that he loved me as a brother in church. I am so thankful that We spent yesterday in church together. I will miss the warmth and love I felt when I was around him. He will be missed tremendously by all that knew and love him. Praise God that he is home with our Lord and Savior. My thoughts, love and prayers are with Joyce and the rest of the family.

“ This man was a true example of a Christian with the gift of giving. Books would not be able to hold the stories of the ones that he has helped. Most, we will never hear about because he never wanted the publicity. It was always a discrete method of doing what he could to help others. On the evening of March 29, I believed he received his "Well Done" degree. His handshake and greetings each service to our congregation will be missed. He left an example for us all to follow. I am one of those whose life has been impacted by the quite ministry of Mike Towe.
Thank you Jesus for letting me be around Mike.

“ Joyce,
I just want you to know how my heart goes out to you and your family. Mike was an outstanding Christian, Husband, Friend and Man to all. He was always a great friend to my Daddy and always had so much patients with him and loved him unconditionally. He came to the Hospice House and visited him when he was sick and then he was a Paw Barrier when he passed away for him. His thoughtfulness and kindness will never be forgotten by us. I know that Him, my daddy and Gene (my father in law) are all in heaven celebrating together. Gene always thought the world of Mike as well he came to the Hospice House and visited him when he was there sick. He touched so many lives while here on earth and he will never be forgotten. Heaven gained a precious soul when he passed last night. May God give you the peace and comfort that only HE can give. You will be in our prayers.
