“ *Sorry to hear of Mike's passing. Have many good memories of the times spent when we were neighbors in Montague and when visiting in Seneca. Rest in Peace, old friend. Bruce Young*

“ *I am very sad to see my old buddy Mike has left us. I just talked with him a few weeks ago, when he acknowledged he had cancer. We had a lot of fun times in the barber's chair, talking about the old days in NY, family misadventures, and other current topics. Besides this, he was a good barber, something not available around here any more.

“ *Mike was a very kind man. He was a hard worker. He always brought his paycheck home at the end of the day. He was a good husband. My children were his grandchildren. He never treated them different because I was a step kid. He loved people. Mike loved to laugh and enjoyed life. He wasn't perfect, but he never pretended to be perfect. I miss him very much.*

“ I was very proud that he was my God-Father and loved visiting him. He was a very kind and gentle soul and I know that he is now one of my Guarding Angels in Heaven.

“ My best memory of my uncle Mike is he always had a smile for me. We were close as children and even though I moved away and he moved away he was a special uncle.
