“ Dear Linda and all the Reeves family,
My heart is with you today. We loved our cousin Mike. When I was in high school he lived with us for awhile working in Greenwood and became my surrogate big brother. Even though we didn't see each other often through the years because of the distance we lived apart, we always knew the love for each other was there. There's a big hole in our hearts from his loss. Hopefully we will be able to see you soon.
Hugs amidst tears,
